## May 2014

### Treasurer Report for May 2014

Current balance:	\$8441.00
Expenses: (postage, printer ink):	\$160.00
Income: (membership, sales of shirts and hats):	\$4535.00
Donations:	\$114.65

A lot of folks round up on their purchases, which helps our general funds grow. Things that need to happen is growth in membership, sponsorship, contacting of DGB's not in the loop and updating of all addresses, both home and e-mails as well as contact phone numbers. We are small right now but growing to meet our **GOALS** of the CCCA Association.
